The Grand Norway

2027

Non-Traditional Wedding Dates/Discounts

For some couples, a non-traditional date works best, especially when a tight budget comes into play. We offer special pricing/discounts on these non-traditional wedding dates:

Friday Evening:

Perfect for an intimate candle-light wedding reception and dance. You and your guests can then enjoy your whole weekend to travel or spend time with family and friends.

Sunday Afternoon:

Have an afternoon brunch or an evening wedding reception!

November Through April:

The Grand Norway minimum (food/beverage) required on Saturdays for the months of November, December, January, February, March or April is negotiable.

Added Bonus:

You receive a ten (10%) percent discount on all food purchases for any Friday or Sunday wedding or any Saturday wedding November through April. Think of the savings you will have to enjoy a longer, more relaxed, honeymoon! (The 10% discount does not apply to the already discounted Extra Value Buffet.)

Please note: The day minimum must be met (or exceeded) with the ten (10%) percent discount applied. The service fee and sales tax are in addition to the minimum.
